*Caste system in Europe

*Caste system in Japan

The Emperor (Mikado) The greatly respected figurehead of society but he did not rule Japan.

Daimyo The lords or barons who controlled their own region of Japan. Shogun The most powerful military lord (daimyo) who ruled Japan with his Bakufu government.

Samurai The professional warriors or knights who were bound by a code of loyalty and honour to a daimyo. They protected his region and land.

Peasants

Samurai

Peasant (Farmers and Fishermen): The largest social group in traditional Japan. They were legally bound to the person who owned or controlled the land they lived on.

Chonin
